

REPRESENTATIVE DRIEHAUS WELCOMES HHS FUNDING FOR UNIVERSITY OF CINCINNATI

WASHINGTON, DC—Representative Steve Driehaus today welcomed an announcement by the Department of Health and Human Services (HHS) of an award of \$399,866 for the University of Cincinnati. This fund will support research efforts at the university.

“The University of Cincinnati is a top research university focused on many areas of study. Funding these programs is critical for the university to continue its important work. This investment will benefit greater Cincinnati while helping the university remain a high-caliber institution,” said Rep. Driehaus.

This funding will support a research project entitled, “MWF Mycobacteria antigens in occupational hypersensitivity pneumonitis,” will receive \$399,866 and will be under the direction of Professor Jagjit Yadav of the Department of Environmental Health.
